&
Empire Cadets
Capital Campaign**

Results...

The \$3 Million Capital Campaign will support :

\$1 million dollars will provide for the next 10 years

- Instruments— wind & percussion
- Equipment
- Uniforms
- Transportation
- Instruction
- Practice facility

Youth & Community Development Benefits All

The Empire Statesmen and Empire Cadets provide:

- Free music education and group participation, including providing instruments and equipment to each individual
- Weekend program for Rochester area students
- Fundraising winter shows for local high school music programs
- Annual performances for Rochester community

The programs were established almost 30 years ago by former Rochester City schoolteacher and Navy veteran, Vincent Brunni. Mr. B, as he was known, brought a compassionate discipline to the more than 15,000 youth participants.

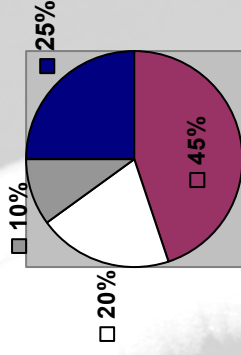

for a lifetime

\$2 million dollars will build the Vincent Brunni Endowment fund for the long-term funding security of the Empire Statesmen & Empire Cadets

The returned interest earned from the endowment fund will go to cover annual operating expenses for many years to come.

Operating Costs

- Instruments & Equipment
- Instruction
- Transportation
- Practice Facility

STATESMEN BRING \$15 MILLION TO ROCHESTER

The Drum Corps Associates (DCA) will once again bring the World Championship finals to Rochester, NY in September 2006. The event was last held locally in 1996.

Monroe County Executive Maggie Brooks estimates that as much as \$15 million in revenue will be brought to Rochester and Monroe County during this three day event.

With success and the support of the community, this could become a regular event.
